Dear Joe,

Rita and I want to thank you for all your efforts and your time spent explaining the intricacies of the new Medicare plans. Your help was invaluable and greatly simplified the selection of replacements for our canceled Aetna Medicare Advantage plans.

Signed applications for Medicare Supplement plan F are enclosed for both of us with the requested cancellation forms from Aetna and a voided check to set up an automatic draw from our checking account.

Also signed application forms for the Medicare Rx plan are enclosed. Rita and I are both comfortable with this choice.

If you have any questions or if I have omitted anything on the forms please contact me at
or by e-mail at verizon.net.

Again, thank you for your patience and hard work.

Sincerely,

Edward
